Julie H. Linden, PhD

Biography

Julie H. Linden is a licensed psychologist with over 30 years of psychotherapy experience treating people of all ages. Young children, adolescents, adults, couples and families consult her for a wide range of reasons. Julie's specialties include the treatment of anxiety, depression, and somatic symptoms; medical and psychological trauma, pain management techniques, and hypnotherapy; gender sensitive therapy; play therapy, ADHD and learning differences and Dissociative Disorders.

In addition to her full time private practice she is active in the governance of several hypnosis organizations. She is the current President of the International Society of Hypnosis, Past President of the American Society of Clinical Hypnosis, and Past President of the Greater Philadelphia Society of Clinical Hypnosis.

In 2003 she received the Josephine Hilgard Award from the American Journal of Clinical Hypnosis, AJCH, for her paper, "Playful Metaphors" about the use of hypnosis with children. In 2007 she was again a recipient of the American Journal of Clinical Hypnosis Josephine R. Hilgard Award for Scientific Excellence in Writing on Pediatric/Adolescent Uses of Hypnosis for the article "Hypnotically Enhanced Dreaming to Achieve Symptom Reduction, with Anuj Bhardwaj, MD and Ran D. Anbar, MD. Julie resides in Philadelphia, Pennsylvania, USA. She teaches workshops for ASCH, SCEH, ISH, ESH, and lectures and consults about psychotherapy with children, trauma and hypnosis all over the world, including South Africa, Norway, Finland, the Balkans, and Italy.
