

Dr Albrecht Schmierer

Curriculum Vitae

Dr Albrecht Schmierer is a dentist in private practice in Stuttgart, Germany. He taught dentistry for several years at the University of Tübingen, specialising in craniomandibular disorders, and developed a particular interest in psychological aspects and approaches to treatment.

He went on to have teaching assignments in many other universities in Germany.

He has been a well known and active practitioner and teacher of dental and medical hypnosis for more than 30 years.

Author and editor of books on dental hypnosis, he has also produced CDs. His high level work with national and international hypnosis societies has been acknowledged by several awards.
